

Pauline geeft bij ons Presentatie training. Inmiddels hebben er al meer dan 40 mensen meegedaan aan de training en de reacties zijn erg positief. Ook in 2013 staan er weer verschillende trainingsdagen gepland met Pauline en voor de mensen die de training in 2012 hebben gevolgd zijn we samen met Pauline een terugkom dag aan het ontwikkelen/ organiseren na veler verzoek.

Enkele reacties van collega's op Pauline en haar training:

'The trainer was really passionate about the topic which was nice. It was really good to get such a lot of individual feedback, I expected the group to be much bigger but I was surprised with the personalized approach.'

'Pauline is a great person and it was a pleasure to have this training by her. I liked the personal attention she gave each of us.'

'Very good training for people who present regularly and less so.'

'I participated the training today and I am very positive. The trainer, the team, the atmosphere, the exercises, the tools and all the other aspects were great. I am very enthusiastic. It can make a big difference when presenting but also in daily life.'
